ENTENTE'S REPLY SENT OUT

Answer to Wilson's Note Will Be Made Public Tomorrow — Greece Agrees to Allies' Terms.

Special to The Democrat-Forum.

London, Jan. 11.—The Entente's reply to Wilson's note, which was handed to Ambassador Sharp at Paris yesterday, will be made public tomorrow. It is understood here that Greece has agreed to fulfill all demands levied upon her by the Entente, according to the advices from Athens today. It is also understood that the terms of the ultimatum was such as to preclude the possibility of Greece going to war on the side of Germany.

DR. WALLACE TO LECTURE

Former Hopkins Man, Noted Authority on Shakespeare, Will Give Address at Normal Next Tuesday.

Dr. Charles William Wallace, a son of the late Judge Wallace of Hopkins, and a brother-in-law of Dr. D. A. Sargent, also of Hopkins, will address the students of the Normal School at assembly next Tuesday. According to the Hopkins Journal, Dr. Wallace is the foremost modern authority on Shakespeare, and it is expected that a number of Hopkins people will come to Maryville to hear his address.

The Hopkins Journal continues: He has been in London the past few years returning to this country but a few months ago, giving his first lecture in New York. He only talks in the large cities but on account of this being the land of his nativity, he was glad to accept the invitation to speak at Maryville, affording him the opportunity to meet and converse with many whom he learned to love and esteem when a boy.

JOB INTRODUCES BILLS

Representative From Nodaway County Would Preserve Game and Protect Convicts From Bootleggers.

Representative William Job of Nodaway county, in the legislature at Jefferson City yesterday introduced a number of bills of interest. One of them seeks to designate some forty contiguous counties north of the Missouri river as a game reserve, in which no deer, quail, prairie chicken, partridge or pheasant may be killed until the year 1930. There is a fine of $50 each for killing the deer, and of $10 each for killing the birds. There are a number of wild deer in northern Missouri now, Mr. Job says, the result of several privately owned herds having been liberated, and one purpose of the bill is to protect these. The measure does not affect southern Missouri, where hunting and fishing for market is the principal means of livelihood of large numbers of persons.

Another bill by Mr. Job prescribes a heavy penalty for giving or selling to a convict any intoxicating liquor or habit-forming drug, and provides that any convict found with these inhibited articles in his possession must forfeit any benefits enjoyed under the three-fourths rule. Yet another Job bill provides that manufacturers of and dealers in farm stock foods or medicines must pay a license to the state and must submit samples of their wares for analysis by the state board of agriculture.

Miss Florence Keefe of Oakes, N. D., will arrive in Maryville tonight and will be the guest of Miss Anna Parle. Miss Bess Graham of Conception will also be a guest at the Parle home for a few days.

Charlie Wiles and William Neilson left this afternoon for Kansas City, where they will attend the performance of "Hip, Hip, Hooray."

FOR 'PAY-UP' WEEK

MARYVILLE MAY HAVE ONE ON FEBRUARY 19th to 24th.

SECOND ANNUAL EVENT

Slogan Will Be "You Pay Your Bills, So I Can Pay Mine" — Was A Success Last Year.

Maryville is to have its second annual "Pay Up Week," i fthe merchants in town are willing.

This was decided last night at a meeting of the members of the Credit Rating Bureau. Last year the Maryville merchants put on the event with a rather encouraging degree of success, considering the fact that the idea was entirely new in this county. This year it is felt that the affair will be attended by still greater success.

"Pay Up Week" is a national affair, and the plans and publicity material are furnished by the Merchants Trade Journal of Des Moines. The slogan of all those interested in the proposition is "You pay your bills so I can pay mine."

During the week an opportunity is given to all persons who are indebted to their grocers, their coal man, their clothing man or their drygoods man to call and settle all accounts. This enabling the merchants to straighten their credit with the wholesale merchants by promptly settling for the merchandise which they have purchased.

"The merchants of Maryville have hundreds of accounts on their books," said Secretary Claypool of the Commercial Club today, "and while the merchants know that most of these accounts are perfectly good, they appreciate an early payment in order to meet their own bills quickly. "Pay Up Week" serves as a gentle reminder that bills are due and that the merchants must meet their obligations."

The "Pay Up Week" campaign will be carried on by various methods of publicity, chief among them being newspaper advertising and posters.

PREPARING FOR THE GAME

Exact Line-up for Normalites Tussel With Missouri Wesleyan Not Decided—Hard Game Expected.

The game tomorrow night will be the most important game of the season from a strategic standpoint. The line-up will to a certain extent justify or condemn the opinion of the coach. The advantage of winning the first game is well known by managers and coaches. The team which makes a good start has an advantage over a team which has been defeated at the outset. The team which is disheartened by defeat is likely to remain so. Whereas the team, which has been winning games goes into the contest fresh and confident. Three members of last year's team are back and together with others of the squad, they make a formidable team. The exact line-up is not exactly decided. If "Agnes" Gerard starts at center, Scarlett will play guard together with Wells and H. Sawyers, and "Chido" and "Gimlet" Scott, Hahn and Ham will take care of the forward positions.

On the other hand, if Scarlett starts at center, Gerard, one of the Scotts, Wells and H. Sawyers will line up as guards, and the forwards will be the other of the Scotts, Hahn and Ham. Coach Palfreyman has not decided just which combination he will use. It is a significant fact, that Wesleyan has never defeated the Normal here. Also Wesleyan is reported not strong this year. However, a hard game is expected.

CAPTAIN GRAY CELEBRATES

Six Comrades Congratulate Veteran on 85th Birthday Anniversary — Dinner at Daughter's Home.

Six of the comrades of Captain J. B. Gray gathered at the home of his daughter, Mrs. S. R. McClurg, on North Main street at noon today to help him celebrate his eighty-fifth birthday anniversary. An elaborate dinner was served by the hostess, after which the guests gave several speeches, extending hearty greetings and congratnlations to Captain Gray. They expressed the hope that he might live to see many more years of peace and happiness.

At the close of the dinner the veterans gave Captain Gray a gold-headed cane in remembrance of the occasion. The presentation address was made by Captain Charles Hyslop, and the response was made by the Captain, who was very much moved by this evidence of his comrade's esteem.

Those present at the dinner were John G. Grems, Charles Hyslop, A. R. Souers, J. T. Karr, J. D. Dickerson, and Noah Sipes.

Captain Gray served through the Civil war in Company C., 5th Pennsylvania regiment, and was with the army of the Potomac.

HIS SCHOOL REPORT

SUPERINTENDENT McDONALD TO TELL OF SCHOOL ACTIVITY.

FOR FIRST HALF YEAR

Professor Recounts A Number of Changes Increasing the Efficiency of the School.

Superintendent J. M. McDonald of the Maryville Public Schools has presented for publication the following report of school activities for the first half year:

Thinking that the patrons of the Maryville Public Schools would be interested in what has been done in the half year just past, I am presenting this discussion for their inspection.

School opened a week late on account of the County Fair, September 11th. Seven of our thirty-one teachers were new: Miss Blair of the A4th; Miss O'Neal of the A7; and Miss Wren and Messrs. Burger, Schultz, Magee and McDonald in the High School. The rate of tuition to non-resident students was raised at the beginning of the year because the board of education found that it was costing the district $5.19 per month to give them instruction. The High School rate was accordingly raised to $5 per month and the grade school rate to $3 per month. We now have 51 non-resident students in our schools. The total attendance to date is 935, compared to 904 at the same time last year.

There have been several changes made during the past four months which we believe have improved the efficiency of our system of schools. I will try to state them as clearly and briefly as possible.

The board of education did a most commendable thing when they employed a playground supervisor to look after the play of children at intermissions and before school hours. Mr. Burger has been able to decidedly improve conditions on the playground.

The ward schools are being equipped with electric lights which makes possible parent-teachers meeting in the evenings. These meetings make possible a better understanding between parents and teahcers of the methods used in teaching so that they may co-operate more intelligently in preparing children for life.

Considerable money has been spent this fall in adding to the equipment of our schools. About $80 worth of supplementary readers were recently bought for the three ward schools. Free texts were installed in the seventh and eighth grades at a cost of $350. The school now furnishes all books, pens, ink and penmanship paper to all grade children; $20 worth of maps were also bought for the classes in geography and history. All the floors in the Washington school were oiled at the beginning of the school.

In the High School, chemistry and physics supplies amounting to about $150 were installed. Two Unabridged New International dictionaries and many other reference works have been added to the library. The whole library has been completely classified and catalogued so that it is now among the best arranged high school libraries in the state. We have about 1500 volumes. The work of issuing books to students is handled by four non-resident student librarians who are exempted from payment of tuition for this service.

There are usually two assemblies of all high school students each. At the first meeting an outsider addresses the student body and at the second the students themselves usually present the major portion of the program.

The High School Athletics are being handled by a Board of Control made up of the student members and two faculty members. This board has handled the finances of the football and basketball season in such a way that they were able to buy new suits for both these teams and still have not gone materially into debt.

A new card index system of keeping permanent records of scholarship and attendance has been installed in the superintendent's office which is proving a decided improvement over the old ledger plan.

A room for mechanical drawing is being furnished and fitted up for this work. The demand for such work is increasing.

At the beginning of the new semester some slight changes will be made in the high school curriculum. It is probable that a course in Economics will be offered to Juniors and Seniors and a course in General Science to Freshmen. We are hoping to adjust the work in the Manual Training and Domestic departments so that woodwork and sewmay be offered to eighth grade people.

A debating club and literary societies will be organized early in the second semester.

The board has decided to measure the efficiency of our schools by giving to all grade children the standard tests prepared by specialists in education which are being given to thousands of other school children the country over. In this they will learn whether our schools are doing average work and just who are our most efficient teachers. The tests in penmanship and arithmetic will be given early in the second semester.

A report was recently received from the University of Missouri which showed what grades were being made in that institution by graduates of this school. It was gratifying to note that our graduates rank above the average of the University student body.

In conclusion let me say that the spirit of co-operation on the part of our corps of teachers is proving a great boon to the quality of work being done. The student body as a whole seems to be well pleased with the way school is being conducted and I believe that conditions are shaping themselves for a great year of school.

J. M. McDONALD,
Superintendent.

TO LIE IN STATE

BODY OF "BUFFALO BILL" WILL BE IN CAPITOL BUILDING.

BURIAL SERVICES SUNDAY

Interment Will Not Take Place Till Spring, When Body Will Be Put in Lookout Mountain Tomb.

Denver, Colo., Jan. 11.—The body of Col. William F. Cody ("Buffalo Bill"), who died yesterday afternoon at the home of his sister, here, will lie in state at the capitol for four hours Sunday, and will then be placed in a vault. The burial will not take place until in the spring, when it will be placed in a tomb, hewn from the rock at the top of Lookout mountain, near Denver.

The funeral services Sunday are to be held in charge of the Denver lodge of Elks. In accordance with the wish of the dying scout, however, all the societies to which he belonged are to have a part in his funeral, including the Grand Army of the Republic, the Pioneer Society of Colorado, and the Cowboy Rangers of Denver, besides the Elks. The Masons will have charge of the interment of the body in its mountain tomb.

To Have Guard of Honor.

While the body lies in state at the capitol, a guard of honor will be on duty. Federal troops will escort the remains from the capitol to the Elks home for the services, according to plans last night, and other federal troops are expected to march in the funeral cortege.

After Sunday's services, and until placed in the tomb on Lookout mountain, the body will be in custody of the Knights Templars here.

Telegrams of condolence in large numbers have been pouring into the home of the sister here, where Colonel Cody has been staying for the last few days. One is from President Wilson and others came from Lieut. Gen. Nelson A. Miles, and Maj. Gen. Hugh L. Scott, chief of staff.

Returns to Lincoln.

Mrs. Chester Wilson, wife of Senator Wilson, of Lincoln, Neb., who came to attend the funeral services for Mrs. Eliza Lyons, which were held Wednesday morning, left this morning for her home. While in Maryville Mrs. Wilson was the guest of Mrs. C. A. Culverson.

Waiting doesn't pay.
If you neglect kidney backache,
Urinary troubles often follow.
Doan's Kidney Pills are for kidney backache, and for other kidney ills.
Maryville citizens endorse them.

Mrs. Hattie Hogue, 121 Hester street, Maryville, says: "For at least five years I had trouble with my back and kidneys. A dull ache settled just across the small of my back. When I tried to bend or lift I got a sharp catch in my back. My kidneys acted much too frequently, especially at night, disturbing my rest and making me feel all tired out in the morning. Doan's Kidney Pills gave very fine benefit at once and continued use brought lasting results. It has been some time now since I have needed such a medicine."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hogue had. Foster-Milburn Co., Props., Buffalo, N. Y.

ENTENTE'S REPLY SENT OUT

Answer to Wilson's Note Will Be Made Public Tomorrow — Greece Agrees to Allies' Terms.

Special to The Democrat-Forum.

London, Jan. 11.—The Entente's reply to Wilson's note, which was handed to Ambassador Sharp at Paris yesterday, will be made public tomorrow. It is understood here that Greece has agreed to fulfill all demands levied upon her by the Entente, according to the advices from Athens today. It is also understood that the terms of the ultimatum was such as to preclude the possibility of Greece going to war on the side of Germany.

DR. WALLACE TO LECTURE

Former Hopkins Man, Noted Authority on Shakespeare, Will Give Address at Normal Next Tuesday.

Dr. Charles William Wallace, a son of the late Judge Wallace of Hopkins, and a brother-in-law of Dr. D. A. Sargent, also of Hopkins, will address the students of the Normal School at assembly next Tuesday. According to the Hopkins Journal, Dr. Wallace is the foremost modern authority on Shakespeare, and it is expected that a number of Hopkins people will come to Maryville to hear his address.

The Hopkins Journal continues: He has been in London the past few years returning to this country but a few months ago, giving his first lecture in New York. He only talks in the large cities but on account of this being the land of his nativity, he was glad to accept the invitation to speak at Maryville, affording him the opportunity to meet and converse with many whom he learned to love and esteem when a boy.

JOB INTRODUCES BILLS

Representative From Nodaway County Would Preserve Game and Protect Convicts From Bootleggers.

Representative William Job of Nodaway county, in the legislature at Jefferson City yesterday introduced a number of bills of interest. One of them seeks to designate some forty contiguous counties north of the Missouri river as a game reserve, in which no deer, quail, prairie chicken, partridge or pheasant may be killed until the year 1930. There is a fine of $50 each for killing the deer, and of $10 each for killing the birds. There are a number of wild deer in northern Missouri now, Mr. Job says, the result of several privately owned herds having been liberated, and one purpose of the bill is to protect these. The measure does not affect southern Missouri, where hunting and fishing for market is the principal means of livelihood of large numbers of persons.

Another bill by Mr. Job prescribes a heavy penalty for giving or selling to a convict any intoxicating liquor or habit-forming drug, and provides that any convict found with these inhibited articles in his possession must forfeit any benefits enjoyed under the three-fourths rule. Yet another Job bill provides that manufacturers of and dealers in farm stock foods or medicines must pay a license to the state and must submit samples of their wares for analysis by the state board of agriculture.

Miss Florence Keefe of Oakes, N. D., will arrive in Maryville tonight and will be the guest of Miss Anna Parle. Miss Bess Graham of Conception will also be a guest at the Parle home for a few days.

Charlie Wiles and William Neilson left this afternoon for Kansas City, where they will attend the performance of "Hip, Hip, Hooray."

FOR 'PAY-UP' WEEK

MARYVILLE MAY HAVE ONE ON FEBRUARY 19th to 24th.

SECOND ANNUAL EVENT

Slogan Will Be "You Pay Your Bills, So I Can Pay Mine" — Was A Success Last Year.

Maryville is to have its second annual "Pay Up Week," i fthe merchants in town are willing.

This was decided last night at a meeting of the members of the Credit Rating Bureau. Last year the Maryville merchants put on the event with a rather encouraging degree of success, considering the fact that the idea was entirely new in this county. This year it is felt that the affair will be attended by still greater success.

"Pay Up Week" is a national affair, and the plans and publicity material are furnished by the Merchants Trade Journal of Des Moines. The slogan of all those interested in the proposition is "You pay your bills so I can pay mine."

During the week an opportunity is given to all persons who are indebted to their grocers, their coal man, their clothing man or their drygoods man to call and settle all accounts. This enabling the merchants to straighten their credit with the wholesale merchants by promptly settling for the merchandise which they have purchased.

"The merchants of Maryville have hundreds of accounts on their books," said Secretary Claypool of the Commercial Club today, "and while the merchants know that most of these accounts are perfectly good, they appreciate an early payment in order to meet their own bills quickly. "Pay Up Week" serves as a gentle reminder that bills are due and that the merchants must meet their obligations."

The "Pay Up Week" campaign will be carried on by various methods of publicity, chief among them being newspaper advertising and posters.

PREPARING FOR THE GAME

Exact Line-up for Normalites Tussel With Missouri Wesleyan Not Decided—Hard Game Expected.

The game tomorrow night will be the most important game of the season from a strategic standpoint. The line-up will to a certain extent justify or condemn the opinion of the coach. The advantage of winning the first game is well known by managers and coaches. The team which makes a good start has an advantage over a team which has been defeated at the outset. The team which is disheartened by defeat is likely to remain so. Whereas the team, which has been winning games goes into the contest fresh and confident. Three members of last year's team are back and together with others of the squad, they make a formidable team. The exact line-up is not exactly decided. If "Agnes" Gerard starts at center, Scarlett will play guard together with Wells and H. Sawyers, and "Chido" and "Gimlet" Scott, Hahn and Ham will take care of the forward positions.

On the other hand, if Scarlett starts at center, Gerard, one of the Scotts, Wells and H. Sawyers will line up as guards, and the forwards will be the other of the Scotts, Hahn and Ham. Coach Palfreyman has not decided just which combination he will use. It is a significant fact, that Wesleyan has never defeated the Normal here. Also Wesleyan is reported not strong this year. However, a hard game is expected.

CAPTAIN GRAY CELEBRATES

Six Comrades Congratulate Veteran on 85th Birthday Anniversary — Dinner at Daughter's Home.

Six of the comrades of Captain J. B. Gray gathered at the home of his daughter, Mrs. S. R. McClurg, on North Main street at noon today to help him celebrate his eighty-fifth birthday anniversary. An elaborate dinner was served by the hostess, after which the guests gave several speeches, extending hearty greetings and congratulations to Captain Gray. They expressed the hope that he might live to see many more years of peace and happiness.

At the close of the dinner the veterans gave Captain Gray a gold-headed cane in remembrance of the occasion. The presentation address was made by Captain Charles Hyslop, and the response was made by the Captain, who was very much moved by this evidence of his comrade's esteem.

Those present at the dinner were John G. Grems, Charles Hyslop, A. R. Souers, J. T. Karr, J. D. Dickerson, and Noah Sipes.

Captain Gray served through the Civil war in Company C., 5th Pennsylvania regiment, and was with the army of the Potomac.

HIS SCHOOL REPORT

SUPERINTENDENT McDONALD TO TELL OF SCHOOL ACTIVITY.

FOR FIRST HALF YEAR

Professor Recounts A Number of Changes Increasing the Efficiency of the School.

Superintendent J. M. McDonald of the Maryville Public Schools has presented for publication the following report of school activities for the first half year:

Thinking that the patrons of the Maryville Public Schools would be interested in what has been done in the half year just past, I am presenting this discussion for their inspection.

School opened a week late on account of the County Fair, September 11th. Seven of our thirty-one teachers were new: Miss Blair of the A4th; Miss O'Neal of the A7; and Miss Wren and Messrs. Burger, Schultz, Magee and McDonald in the High School. The rate of tuition to non-resident students was raised at the beginning of the year because the board of education found that it was costing the district $5.19 per month to give them instruction. The High School rate was accordingly raised to $5 per month and the grade school rate to $3 per month. We now have 51 non-resident students in our schools. The total attendance to date is 935, compared to 904 at the same time last year.

There have been several changes made during the past four months which we believe have improved the efficiency of our system of schools. I will try to state them as clearly and briefly as possible.

The board of education did a most commendable thing when they employed a playground supervisor to look after the play of children at intermissions and before school hours. Mr. Burger has been able to decidedly improve conditions on the playground.

The ward schools are being equipped with electric lights which makes possible parent-teachers meeting in the evenings. These meetings make possible a better understanding between parents and teaheers of the methods used in teaching so that they may co-operate more intelligently in preparing children for life.

Considerable money has been spent this fall in adding to the equipment of our schools. About $80 worth of supplementary readers were recently bought for the three ward schools. Free texts were installed in the seventh and eighth grades at a cost of $350. The school now furnishes all books, pens, ink and penmanship paper to all grade children; $20 worth of maps were also bought for the classes in geography and history. All the floors in the Washington school were oiled at the beginning of the school.

In the High School, chemistry and physics supplies amounting to about $150 were installed. Two Unabridged New International dictionaries and many other reference works have been added to the library. The whole library has been completely classified and catalogued so that it is now among the best arranged high school libraries in the state. We have about 1500 volumes. The work of issuing books to students is handled by four non-resident student librarians who are exempted from payment of tuition for this service.

There are usually two assemblies of all high school students each. At the first meeting an outsider addresses the student body and at the second the students themselves usually present the major portion of the program.

The High School Athletics are being handled by a Board of Control made up of the student members and two faculty members. This board has handled the finances of the football and basketball season in such a way that they were able to buy new suits for both these teams and still have not gone materially into debt.

A new card index system of keeping permanent records of scholarship and attendance has been installed in the superintendent's office which is proving a decided improvement over the old ledger plan.

A room for mechanical drawing is being furnished and fitted up for this work. The demand for such work is increasing.

At the beginning of the new semester some slight changes will be made in the high school curriculum. It is probable that a course in Economics will be offered to Juniors and Seniors and a course in General Science to Freshmen. We are hoping to adjust the work in the Manual Training and Domestic departments so that woodwork and sewmay be offered to eighth grade people.

A debating club and literary societies will be organized early in the second semester.

The board has decided to measure the efficiency of our schools by giving to all grade children the standard tests prepared by specialists in education which are being given to thousands of other school children the country over. In this they will learn whether our schools are doing average work and just who are our most efficient teachers. The tests in penmanship and arithmetic will be given early in the second semester.

A report was recently received from the University of Missouri which showed what grades were being made in that institution by graduates of this school. It was gratifying to note that our graduates rank above the average of the University student body.

In conclusion let me say that the spirit of co-operation on the part of our corps of teachers is proving a great boon to the quality of work being done. The student body as a whole seems to be well pleased with the way school is being conducted and I believe that conditions are shaping themselves for a great year of school.

J. M. McDONALD,
Superintendent.

TO LIE IN STATE

BODY OF "BUFFALO BILL" WILL BE IN CAPITOL BUILDING.

BURIAL SERVICES SUNDAY

Interment Will Not Take Place Till Spring, When Body Will Be Put in Lookout Mountain Tomb.

Denver, Colo., Jan. 11.—The body of Col. William F. Cody ("Buffalo Bill"), who died yesterday afternoon at the home of his sister, here, will lie in state at the capitol for four hours Sunday, and will then be placed in a vault. The burial will not take place until in the spring, when it will be placed in a tomb, hewn from the rock at the top of Lookout mountain, near Denver.

The funeral services Sunday are to be held in charge of the Denver lodge of Elks. In accordance with the wish of the dying scout, however, all the societies to which he belonged are to have a part in his funeral, including the Grand Army of the Republic, the Pioneer Society of Colorado, and the Cowboy Rangers of Denver, besides the Elks. The Masons will have charge of the interment of the body in its mountain tomb.

To Have Guard of Honor.

While the body lies in state at the capitol, a guard of honor will be on duty. Federal troops will escort the remains from the capitol to the Elks home for the services, according to plans last night, and other federal troops are expected to march in the funeral cortege.

After Sunday's services, and until placed in the tomb on Lookout mountain, the body will be in custody of the Knights Templars here.

Telegrams of condolence in large numbers have been pouring into the home of the sister here, where Colonel Cody has been staying for the last few days. One is from President Wilson and others came from Lieut. Gen. Nelson A. Miles, and Maj. Gen. Hugh L. Scott, chief of staff.

Returns to Lincoln.

Mrs. Chester Wilson, wife of Senator Wilson, of Lincoln, Neb., who came to attend the funeral services for Mrs. Eliza Lyons, which were held Wednesday morning, left this morning for her home. While in Maryville Mrs. Wilson was the guest of Mrs. C. A. Culverson.

A Real Overcoat Sale

With Real Reductions

It is our policy not to carry over any Overcoats from one season to another. The price is the way to do it, and these prices are made for that purpose

20 to 50 per cent Reduction on all Men's Overcoats
20 to 50 per cent Reduction on all Boy's Overcoats
20 per cent Reduction on Mackinaws, Duck and Sheep Lined Coats.

Remember this an opportunity to secure an overcoat at an actual saving as we do not have reduction sales every new moon, and all our goods are marked in plain figures and sold at one price.

TAKE IT IN TIME.

Just as Scores of Maryville People Have.

Waiting doesn't pay.
If you neglect kidney backache,
Urinary troubles often follow.
Doan's Kidney Pills are for kidney backache, and for other kidney ills.
Maryville citizens endorse them.

Mrs. Hattie Hogue, 121 Hester street, Maryville, says: "For at least five years I had trouble with my back and kidneys. A dull ache settled just across the small of my back. When I tried to bend or lift I got a sharp catch in my back. My kidneys acted much too frequently, especially at night, disturbing my rest and making me feel all tired out in the morning. Doan's Kidney Pills gave very fine benefit at once and continued use brought lasting results. It has been some time now since I have needed such a medicine."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hogue had. Foster-Milburn Co., Props., Buffalo, N. Y.

The COUNTRY GENTLEMAN

Put the price of a few hours of farm labor into a subscription for the national farm weekly, and save yourself many hours of labor and money and worry for a year to come.

Every crop, every kind of farm question is covered by The Country Gentleman. Practical farmers, stockmen, dairymen, orchardists, write for it. It has correspondents in every state.

How to get back out of your land the money you put in it is the big idea behind The Country Gentleman.

It deals with *selling* farm crops as well as growing them.

300,000 farmers bought it when it was $1.50 a year.

Now it is $1 a year—52 issues—every week.

MERCHANT'S WIFE ADVISES MARYVILLE WOMEN

"I had stomach trouble so bad I could eat nothing but toast, fruit and hot water. Everything else soured and formed gas. Dieting did no good. I was miserable until I tried buckthorn bark, glycerine, etc., as mixed in Adler-i-ka. ONE SPOONFUL benefited me INSTANTLY." Because Adler-i-ka empties BOTH large and small intestine it relieves ANY CASE constipation, sour stomach or gas and prevents appendicitis. It has QUICKEST action of anything we ever sold.
